

30 Inch Grill

Premium Gas Grills

30" Width

Commercial-Type Cooking Power

- Two 25,000 BTU stainless steel grill burners produce intense searing heat across entire grilling surface
- Extra-deep sealed burner box keeps heat contained in burner area, allowing easier temperature maintenance
- Push-button electronic ignition powered by a 9-volt battery provides a positive, consistent, and continuous spark for easy grill lighting
- Stainless steel flavor-generator plates catch drippings, generate smoke, minimize flare-ups, and allow for better heat control
- Perforated design allows heat to spread quickly and evenly across entire surface
- Burner flames are visible through perforations, allowing user to visually monitor heat output and adjust to the desired level
- Chrome plated warming rack - reinforced by stainless steel rack supports - can easily be adjusted to three different positions, allowing use of additional accessory racks
- Thermometer located on canopy indicates the best zones for warming, smoking, and grilling

Solid Viking Construction

- Built from thick sheets of rugged, heavy-duty stainless steel
 - Double wall construction insulates hood to help keep heat inside and provides for a cooler sidewall
- Hood is slightly slanted to prevent water from accumulating on top of the grill and provides a sleek style that is synonymous with Viking name
- Can be built into any type of enclosure without the need of an insulated jacket - a Viking exclusive
 - Portable Cart available (sold separately)
 - Stainless steel landing ledge with solid, welded, seamless finish
-

Thermometer on outside of grill hood indicates when temperature is ideal for warming, smoking, and grilling.

Easy Maintenance and Cleanup

- Grease management system consists of full-width removable stainless steel drip tray
- Extra heavy-duty cooking grids are porcelain-coated to prevent food from easily sticking to them; the virtual non-stick surface creates optimal cooking areas, while also creating an easy-to-clean surface
- Burners are equipped with stainless steel drip guards to combat burner clog and to aid grease management by channeling the liquids to the drip tray, which assists in flare-up control

Exclusive Finishes

- Available in Stainless Steel (SS)
- May be ordered with Brass Trim Option (BR) for nameplate, knob bezels, and handle/brackets
- Grill carts available in Stainless Steel (SS)

Warranty Highlights*

- One-year full covers all outdoor products - in-home repairs
- Ninety-day limited - cosmetic parts such as painted items and decorative items
- Lifetime limited - rust through on all stainless steel components and porcelain grill grates

*Warranty valid on Viking products shipped within the United States and Canada
